

European HIV-Hepatitis Testing Week 2016! 18-25 November 2016

This year's [European HIV-Hepatitis Testing Week](#) is now **1 week away!** There are now **487 sign-ups** which is really great! You can see them all [here](#) but please help us spread the word and get even more to sign up for this year's testing week.

Activities during this year's European Testing Week

A lot of you are already tagging testing week and using our hashtags (#Eurotestweek and #TestTreatPrevent) to keep us informed of your activities. This is great - please keep doing so, we love to follow your plans and activities! Lots is already underway ranging from street testing in Portugal to adapted condoms handed out in Belgium! We look forward to see more activities and great ideas to increase awareness of testing.

Do you think your activities were particularly innovative and original this year? Then **participate in the European Testing Week 2016 Raffle** and tell us about your 2016 activities for a chance to win a scholarship to the [HepHIV 2017 Conference](#)! To take part, download and submit the form to hie.rigshospitalet@regionh.dk by **5 December**. You can find the form on the [homepage](#) under **This week's activity**.

Materials

Make sure to check out all the materials available for the testing week. Are you for example planning to do a press release? We've got you covered, download a template [here](#) under logos and templates. You can also have the logo in all kinds of different languages as well

as a flyer, poster and various factsheets. Make sure you check out our 3 new ones (#8, 9 and 10) especially focusing on Governments and key populations.

Thunderclap!

Please don't forget to support our Thunderclap! Sign up to share a scheduled message across Twitter, Facebook, and Tumblr and join our online flash mob! When signing up you will join the other supporters in sharing *one* message all at the same time on the first day of this year's testing week, 18 November at 9.00 CET. **Please click this link <http://thndr.me/ukxa1m>** and click on one of the red buttons to pledge your support for our Thunderclap. Help us make the message of testing week reach as many people as possible!

The image shows a screenshot of a social media post. The main content is a blue rectangular box with white text that reads: "Today #Eurotestweek takes off! Hundreds of participants are united in promoting #HIV & #HEP testing across Europe!" followed by the URL "http://thndr.me/jlvnZs". Below this box is a white area containing a small logo for "EUROPEAN HIV-HEPATITIS TESTING WEEK" on the left, the text "European HIV-Hepatitis Testi..." in the center, and an "EMBED" button with a code icon on the right.
