

European HIV-Hepatitis Testing Week 2016! 18-25 November 2016

This year's [European HIV-Hepatitis Testing Week](#) is now less than **2 weeks away!** There are now **484 sign-ups** which is really great! You can see them all [here](#) but please help us spread the word and get even more to sign up for this year's testing week.

Materials to help implement activities

There are lots of materials available on the website to help you in planning and implementing your activities, have you seen them? They can all be found and [downloaded here](#). You can find everything from how to fundraise and how to engage with other partners as well as evidence to support free, confidential and voluntary.

Social media and our Thunderclap!

Are you and/or your organisation on social media? Then connect with us on [Facebook](#) or [Twitter](#). We would love to know more about the activities you are planning and also be updated during the week! Do post on our wall or share on Twitter with the hashtags #Eurotestweek or #TestTreatPrevent. You can also send materials to us via e-mail (hie.rigshospitalet@regionh.dk) and we'll share on our social media channels.

We also have a **Thunderclap** this year! Sign up to share a scheduled message across Twitter, Facebook, and Tumblr (the one below) and join our online flash mob! When signing up you will join the other supporters in sharing the message below all at the same time on the first day of this year's testing week, 18 November at 9.00 CET. To support please go to <https://www.thunderclap.it/projects/48344-testtreatprevent> and click on one of the red

buttons to pledge your support for our Thunderclap. Help us make the message of testing week reach as many people as possible!

Finally best of luck with finalising the planning of your activities!

“Today #Eurotestweek takes off! Hundreds of participants are united in promoting #HIV & #HEP testing across Europe!
