

## European HIV-Hepatitis Testing Week 2016! 18-25 November 2016

Thanks for signing up for this year's European HIV-Hepatitis Testing Week! It is now less than **ONE month away** and we hope that your preparations for the week are progressing well.

There are now **463 sign-ups** which is really great! You can see them all [here](#) but please help us spread the word and get even more to sign up for this year's testing week.

### The Dossiers of Evidence are here!

The Dossiers of Evidence for HIV and Viral Hepatitis have now been updated to reflect new evidence. You can **see and download** them from the website [here](#). There are also lots of other useful materials to help and assist with the implementation of testing week - make sure to make good use of the materials available. You can see them all [here](#).

### Please support our Thunderclap!

Sign up to share a scheduled message across Twitter, Facebook, and Tumblr and join our online flash mob! When signing up you will join the other supporters in sharing the message below all at the same time on the first day of this year's testing week, 18 November at 9.00 CET. To support please go to <https://www.thunderclap.it/projects/48344-testtreatprevent> and click on one of the red buttons to pledge your support for our Thunderclap.

Finally, do keep us updated on all your great activities - we would love to hear about them through social media on either [Facebook](#) or [Twitter](#).
