

## The Spring European Hepatitis-HIV Testing Week pilot starts tomorrow!

The Spring European Hepatitis-HIV Testing Week pilot starts tomorrow and we are so excited to see what you all have planned for the week! Your hard work and dedication will help spread awareness of increasing access to integrated hepatitis and HIV testing.

THANK YOU for being a part of this pilot and we wish you a successful #SpringTestingWeek!

### Monitoring and Evaluation

If you're doing testing activities, remember to download and complete the [ETW monitoring spreadsheet](#) and keep track of the amount of tests done the week **before TW**, the week **during**, and the week **after TW**.

Don't forget to also complete the **post-Spring Testing Week pilot evaluation survey** (link to be sent out after the week).

When you are done monitoring your testing activities, please send the spreadsheet to [hie.rigshospitalet@regionh.dk](mailto:hie.rigshospitalet@regionh.dk) by **21 June 2018**.

### Sharing is caring

Please remember to use any of our hashtags #SpringTestingWeek #EuroTestWeek and #TestTreatPrevent in all of your posts so we can share your photos and activities!

### Have questions?

Feel free to email your questions to [hie.rigshospitalet@regionh.dk](mailto:hie.rigshospitalet@regionh.dk) and follow us on [Facebook](#) and

[Twitter](#) to get regular updates!
