

European Testing Week starts TODAY!

To support the launch of European Testing Week, [HIV in Europe](#) and the [European Testing Week Working Group](#) would like to wish all of you a successful Testing Week.

[Over 700 of you have signed-up](#) and all of your efforts will be put into action today. Your commitment and hard work is why Testing Week has been such a success and we cannot thank you enough for all that you do. Your efforts will have huge impact and we look forward to following your activities this week

Partnerships with the European Test Finder and dating social networks

We are happy to announce that we have partnered again this year with [ECDC](#), [NAM-AIDSMap](#), [Terrence Higgins Trust](#) and the dating social networks, [Grindr](#), [Hornet](#) and [Planet Romeo](#) to promote ETW and the [European Test Finder](#) during Testing Week!

Users of these dating social networks throughout Europe will receive messages or be able to view advertisements about ETW and where to find their nearest testing centre through the European Test Finder!

New ECDC Guidance on integrated testing for viral hepatitis and HIV

To mark the start of European Testing Week, [ECDC](#) has published their new public health guidance on integrated testing for HBV, HCV and HIV testing in the EU/EEA. The new guidance provides testing strategies based on the latest scientific evidence for national or local hepatitis B, C and HIV testing guidelines and programmes.

The HIV in Europe and ETW initiatives have published a press release commending ECDC for recognising the importance of combined viral hepatitis and HIV testing

efforts and calls upon the European community to implement the new guidance into national context and policies.

To read the new ECDC Guidance on integrated testing for viral hepatitis and HIV, visit the [ECDC website](#).
