

#EuroTestWeek starts soon!

It is almost November, which means European Testing Week is just around the corner! We have now reached over 700 organisations who are registered for #EuroTestWeek and we are so excited to see what you all are doing for this year!

Don't forget to encourage other organisations within your community to participate in European Testing Week. You can check out who is signed-up in your country [here](#).

NAM EUROBulletin eFeature 'Behind the Scenes of #EuroTestWeek'

[NAM](#) recently sat down with European Testing Week co-chair, Ben Collins, to get a 'behind the scenes' look at European Testing Week.

Ben discusses the initiative, how organisations can get involved and how European Testing Week has evolved over the years.

Check out the eFeature in the October 2018 NAM EUROBulletin [here](#).

eFeature

Ben Collins is co-chair of the working group for European Testing Week, which this year takes place from 23-30 November.

In this eFeature interview, we spoke to Ben about the week and how you can get involved.

European Test Finder

The European Test Finder is a great service that can help users find their nearest testing centre. We encourage all ETW participants to make sure that your organisation is listed. If not, you can add your organisation [here](#).

During ETW last year, the European Test Finder was viewed more than 70,000 times so make sure that your service is included!

Sharing is caring

Don't forget to check out the [ETW materials page](#) and download the ETW 2018 logo (available in 11 different languages) plus much much more!

If you have already developed materials for ETW, please feel free to share them with us via [our website](#), [Facebook](#) and/or [Twitter](#)! Be sure to tag us or use our hashtags [#EuroTestWeek](#) and [#TestTreatPrevent](#)

#EuroTestWeek Success Story

Do you want to highlight your ETW successes/lessons learned? Do you want to share your experiences to help others?

If so, become a #EuroTestWeek Success Story!

Over the years, we have collected the incredible stories of ETW participants and shared their experiences with participating in European Testing Week. We want to expand our collection and are asking you to tell us your story.

You can read all of our Success Stories and how to become a Success Story on [our website](#).
