

## THANK YOU from European Testing Week!

Last week from 17-24 May 2019, over 130 organisations signed-up to participate in #SpringTestingWeek 2019 and conducted activities all throughout Europe! We cannot thank you all enough for sharing all of your amazing work with us through social media. We have thoroughly enjoyed seeing all of your activities and hard work be put into action to make an impact across Europe!

On behalf of [EuroTEST](#) and the [European Testing Week working group](#), we express our biggest thanks and we hope to see you again this coming November for the Autumn #EuroTestWeek!
