### HIV and viral hepatitis community-based testing in low threshold settings: European experiences

**Presenter:**

Jason Farrell,  
Correlation - European Harm  
Reduction Network

## #EuroTestWeek October webinar, the European Test Finder and more translated logos

We are nearing November and we are anticipating another exciting #EuroTestWeek. The secretariat is also busy with preparing for the week.

We are happy to share that the next FREE ETW webinar will be **Tuesday, 29 October from 14:00-14:30 CET**. Jason Farrell of [Correlation – European Harm Reduction Network](#) will present "*HIV and viral hepatitis community-based testing in low threshold settings: European experiences.*"

This free webinar will provide an overview on establishing and maintaining integrated testing for viral hepatitis and HIV through community services in low threshold organisations through experiences in Europe.

Register for the webinar [here](#) or click this link: <https://bit.ly/2Mg09Pk>

For more info about the ETW webinars, visit our website [here](#).

### Help update the European Test Finder!

In support of European Testing Week, [NAM AIDS Map](#) is updating the [European Test Finder](#) and is asking testing centres to help update the directory of testing services for HIV, viral hepatitis and STIs on the European Test Finder.

The European Test Finder allows searches for the nearest testing centres across 55 European countries in 15 different languages. Thousands of people throughout Europe use the European Test Finder to find their local testing centre during the year but especially during European Testing

Week. That's why we need your help to keep it as updated as possible.

You can help by:

1. Checking and/or updating your organisation's information
2. Adding a testing service that isn't listed

**How to update your organisation's information**

To check and update the information for a testing centre, please [click here](#) (<http://www.aidsmap.com/european-test-finder>) and follow these steps:

1. Search for the testing centre
2. Check if the information is correct.
  - a. If it's not correct, click on the link to 'update this service' displayed below the centre.
  - b. Please change only the details that need to be updated. When completed, please click '**submit**'.

Changes will appear up to 48 hours after submission.

**Adding a new testing centre to the European Test Finder**

If you would like to add a new testing centre that is **not** already listed, visit: <https://www.aidsmap.com/european-test-finder-service-update>

Please complete all necessary details and submit. The new listing may take up to 48 hours to appear.

**ETW Materials**

The [ETW logo](#) is now available in 14 languages including: Czech, Dutch, French, Georgian, German, Greek, Italian, Lithuanian, Polish, Portuguese, Russian, Slovenia, Spanish, Ukrainian.

The [web banners](#) are also available in Portuguese and English!

Translated ETW logos are available on a request-basis, so please feel free to email us at [eurotest.rigshospitalet@regionh.dk](mailto:eurotest.rigshospitalet@regionh.dk) if you would like the logo translated.

**Last chance for the Owen Mumford promotion!**

The deadline to get **free** HIV testing kits from Owen Mumford is nearing soon—last day is 4 November 2019!

ETW participating organisations in the UK, Ireland, Poland, Netherlands, Belgium, Germany, Austria and Switzerland who are actively involved in testing are eligible for the promotion.

Visit the promotion page on our website [here](#) or click <http://www.testingweek.eu/get-involved/Owen-Mumford-Promotion-2019>

If you **no longer want to participate in ETW**, please click the "Opt-out" button below and follow further instructions.

By choosing to "Opt-out" of European Testing Week, your organisation will:

- Be removed from our [list of signed-up organisations](#);
- No longer receive the ETW newsletter, announcements or promotional offers with diagnostic kit companies.
